Winemaking Notes: The 2005 Gary's Improv Zinfandel was sourced from Somerston Vineyards located in the eastern most part of the Napa Valley, about 10 miles east of the Silverado Trail. The majority of Somerston Vineyard is planted between 1000 and 2500 feet elevations, creating a cool micro-climate. Aged for 18 months in 75% used and 25% new American oak.

Wine Notes: Aromas of chocolate, spice and a bit of violet mingle with flavors of black pepper and blackberry jam to create a bold yet smooth wine. The finish is long and soft.

You may know us as the people behind Clif Bar & Company. We are the makers of Clif Bar, LUNA and other nutritious, organic products. We have always had a passion for the outdoors and great food and wine. After a long day of hiking or cycling, we enjoy nothing better than a long, relaxed meal with family and friends enjoyed over a great bottle of wine. After moving to the Napa Valley in 1998, this passion further developed and we began making our own wine in 2004. Now with consulting winemaker Sarah Gott, we are committed to making high quality, affordable wines sourced from sustainable or organic vineyards whenever possible. Enjoy!
