#### *Winemaking Notes:*

Our 2010 Napa Valley Sauvignon Blanc is predominantly Sauvignon Blanc (98%) with a small amount of Chardonnay (2%) blended in. The Sauvignon Blanc fruit is from Pope Valley, east of St. Helena where ideal growing conditions produce Sauvignon Blanc that is intensely aromatic and flavorful.

The 2010 vintage in Napa Valley was exciting to say the least. A very wet winter and spring gave way to a summer that was cooler than normal for the region. Fortunately,

Pope Valley experienced a few heat spikes in late summer that allowed the fruit to ripen evenly and in time for harvest. The fruit was handpicked into small bins and delivered to the winery where it was fermented in stainless steel tanks.

#### *Tasting Notes:*

Intense aromatics of mango and melon linger with hints of jasmine on the nose. Lush flavors of ripe pineapple and peach give way to notes of bright lemon zest on the palate. Pair with raw oysters, fresh goat cheese and simple salads with herbs.
