

**kit's killer cab 2007**  
Napa Valley  
Cabernet Sauvignon

**92 POINTS**

*"A dark, big, gutsy wine, full-bodied and dry, and filled with ripe, exuberant flavor. Blackberries, cherries, cassis and smoky oak flood the mouth, bright, delicious and complex, and with a very long finish. This is a serious Cabernet Sauvignon that will evolve in the bottle, but is fine to drink now. – Steve Heimoff, Wine Enthusiast, April 2011*
