

Gary & Kit's Gourmet Mountain Mix

The launch of Gary & Kit's Gourmet Mountain Mix marked the start of a new adventure in food for Clif Family Winery & Farm. Our Gourmet Mountain Mixes are inspired by the homemade fruit and nut mixes that Gary and Kit make to see them through long hikes on the trail.

The fruit and nut mixes are made using the finest ingredients available. All of the ingredients are sourced from California and each flavor is made with at least 70% organic ingredients.

Gary & Kit's Gourmet Mountain Mixes come in three mouthwatering flavors, each created to pair perfectly with Clif Family Wines.
